

## The First Maintainer T-Shirts

The very first Maintainer Shirts were awarded for hours worked during the 2011 fiscal year. Twenty-eight folks from Georgia and 19 from Tennessee/North Carolina put in 2,066.5 hours maintaining the Benton MacKaye Trail!

The Maintainer T-Shirts were awarded to trail workers at the January 2012 Georgia Work Day. As with today's T-shirt award, BMTAers receiving the shirts had accumulated 30 or more hours for the previous year (travel plus work time).

Pictured with their new shirts are Ralph Heller, George Owen and Walt Cook.

Richard Harris was instrumental in having the shirts made and Ernest Engman provided the design.
