1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Benton MacKaye Na-  
5 tional Scenic Trail Act”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that the Benton MacKaye Trail—

8 (1) is a scenic, nonmotorized trail that traverses  
9 approximately 287 miles over some of the most re-

1       owned forests and mountains in the States of Geor-  
2       gia, Tennessee, and North Carolina;

3               (2) showcases a wide variety of scenic views, in-  
4       cluding high elevation peaks, mature forests, and se-  
5       cluded waterfalls, and passes through wilderness rich  
6       with biodiversity;

7               (3) passes through six designated Wilderness  
8       Areas, the Great Smoky Mountains National Park,  
9       and the Chattahoochee, Cherokee, and Nantahala  
10       National Forests;

11              (4) provides a wide array of easily accessible  
12       hikes for novice and intermediate hikers, as well as  
13       more challenging trails for backpacking and end-to-  
14       end thru hikes;

15              (5) supports economic opportunities for numer-  
16       ous rural communities that benefit from the trail's  
17       visitors spending their money on accommodations,  
18       food, and outdoor supplies;

19              (6) runs from Springer Mountain in Georgia,  
20       through Tennessee, and extends through the Great  
21       Smoky Mountains National Park in North Carolina;  
22       and

23              (7) is physically accessible and can be main-  
24       tained at a minimal cost because—

1 (A) the Benton MacKaye Trail has been  
2 maintained at its current length since 2005;

3 (B) 95 percent of the Benton MacKaye  
4 Trail is located on Federal public land; and

5 (C) the Benton MacKaye Trail has been  
6 successfully constructed, maintained, and man-  
7 aged by the Benton MacKaye Trail Association
